Dear Mr. Goldfine:

In your correspondence concerning the referenced business use and occupancy tax account you stated that the property has changed ownership, however, this change is not recorded at the Board of Revision of Taxes.

If a bona fide conveyance of the property has taken place, it is advisable that you contact the Board of Revision of Taxes by calling the Assessor at 686-4348. Please contact us when this has been done and we will gladly correct our records.

Any further questions which you may have should be directed to Ms. I. Marchetti at 686-7870.

Very truly yours,

*I. Marchetti*
